

components/crc/include
/crc16.hpp

```
graph TD; A[components/crc/include/crc16.hpp] --> B[cstdintdef]; A --> C[cstdint];
```

The diagram illustrates the include dependencies of the file `components/crc/include/crc16.hpp`. Two blue arrows originate from the bottom edge of the top box and point to the top edges of the two bottom boxes, indicating that `components/crc/include/crc16.hpp` includes both `cstdintdef` and `cstdint`.

cstdintdef

cstdint
