

components/pool/include
/pool.hpp

```
graph TD; A[components/pool/include /pool.hpp] --> B[cstddef]; A --> C[cstdint];
```

A diagram illustrating include relationships. At the top is a dark gray box containing the text "components/pool/include /pool.hpp". Two blue arrows originate from the bottom edge of this box. The left arrow points to a light gray box labeled "cstddef". The right arrow points to a light gray box labeled "cstdint".

cstddef

cstdint
